

Downtown Mason Mile

CURRENT ZONING

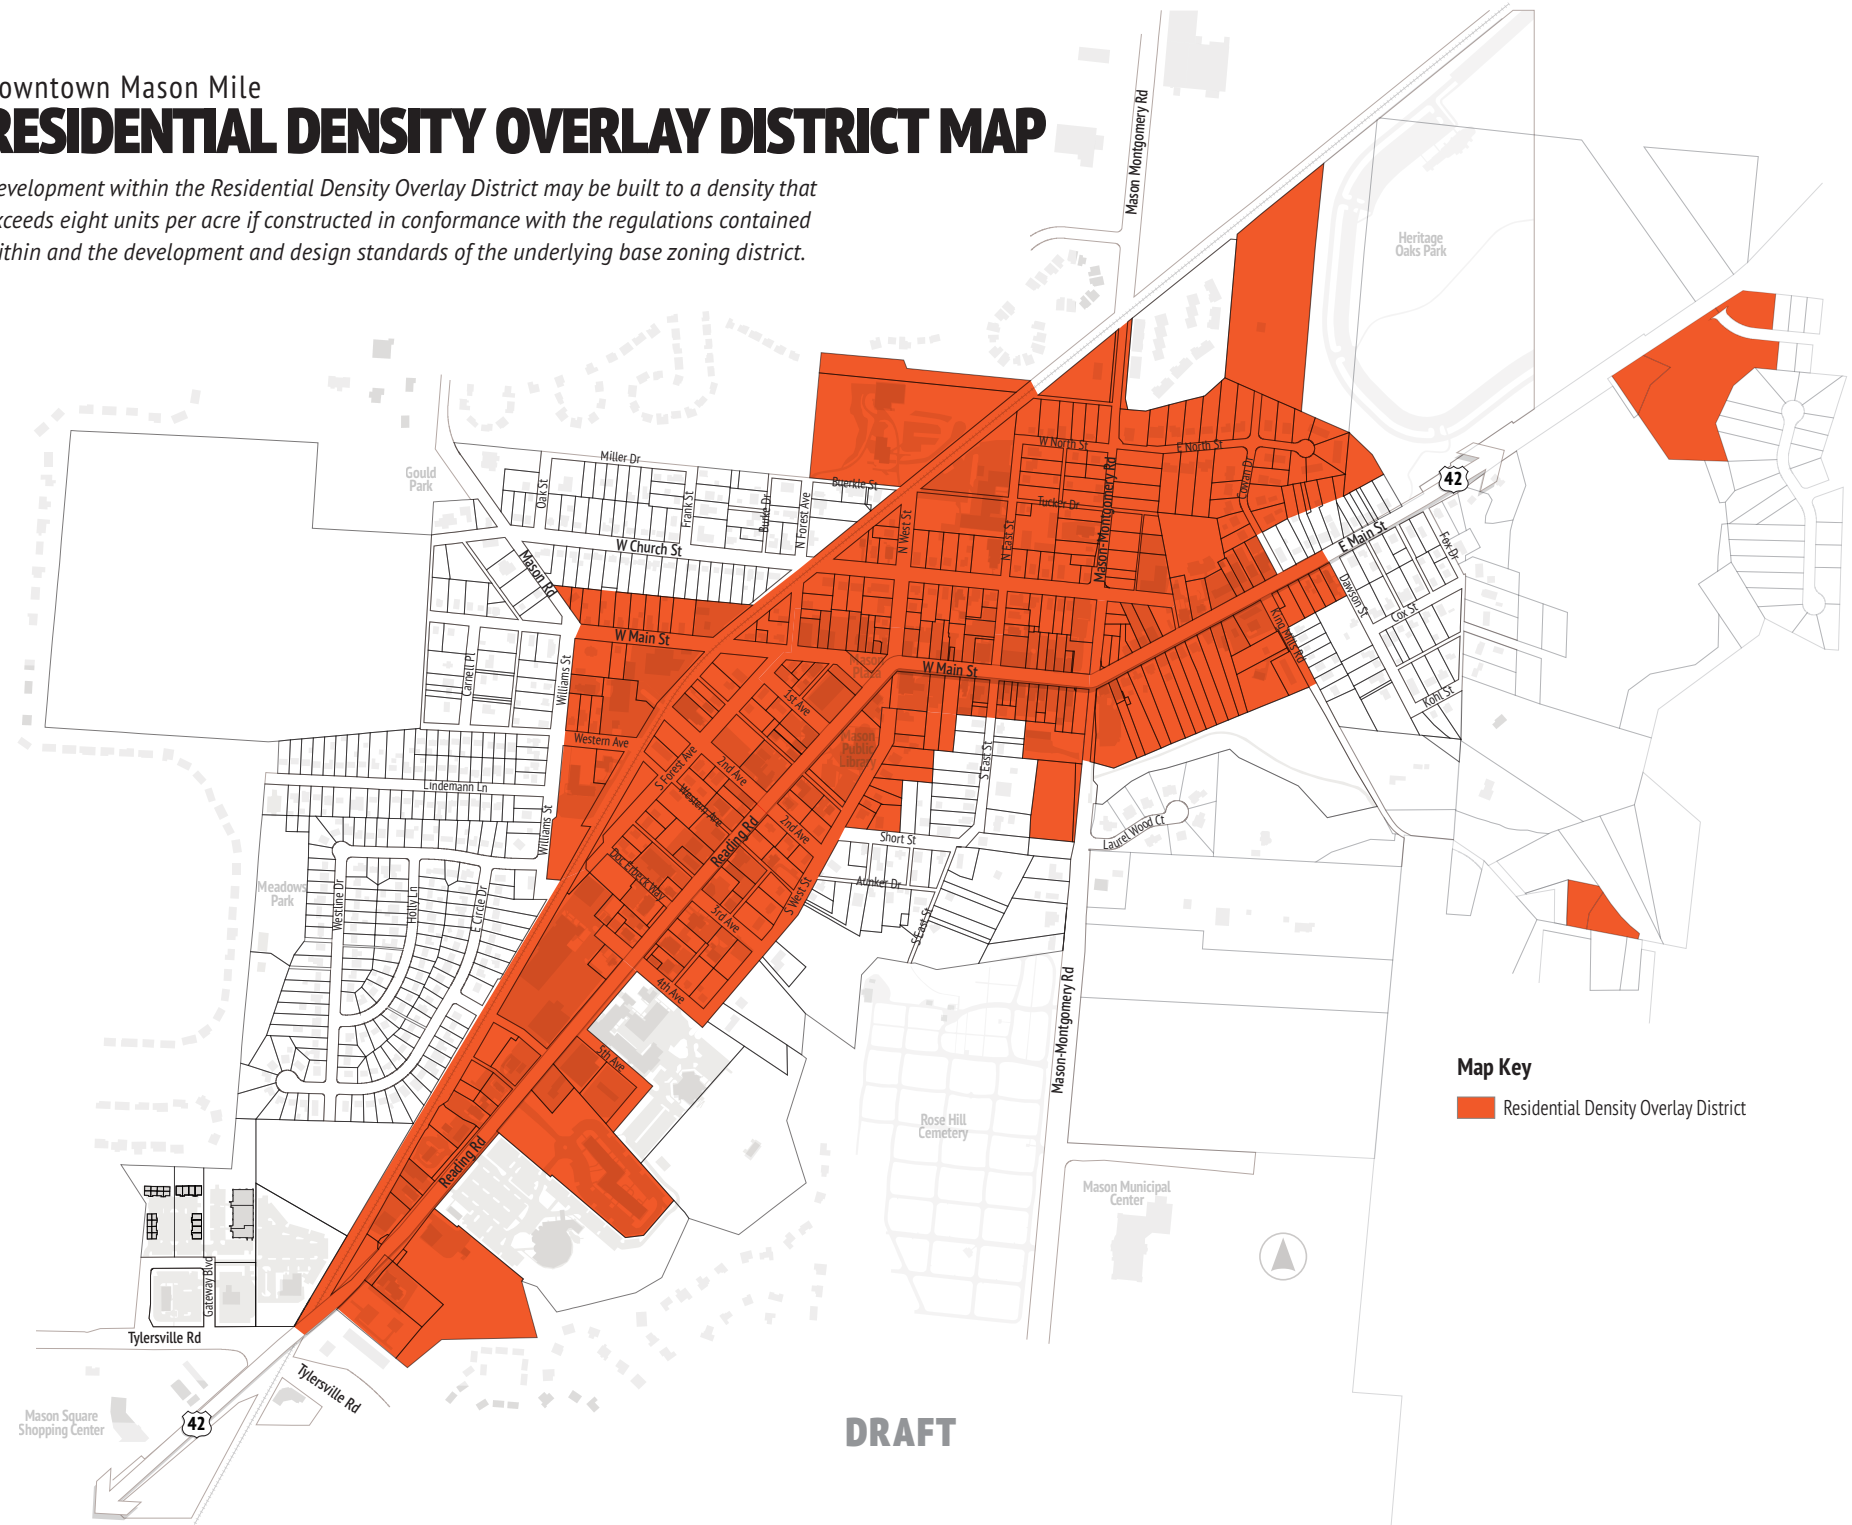

This map shows the current zoning districts in the Downtown Mason Mile.

Downtown Mason Mile

RESIDENTIAL DENSITY OVERLAY DISTRICT MAP

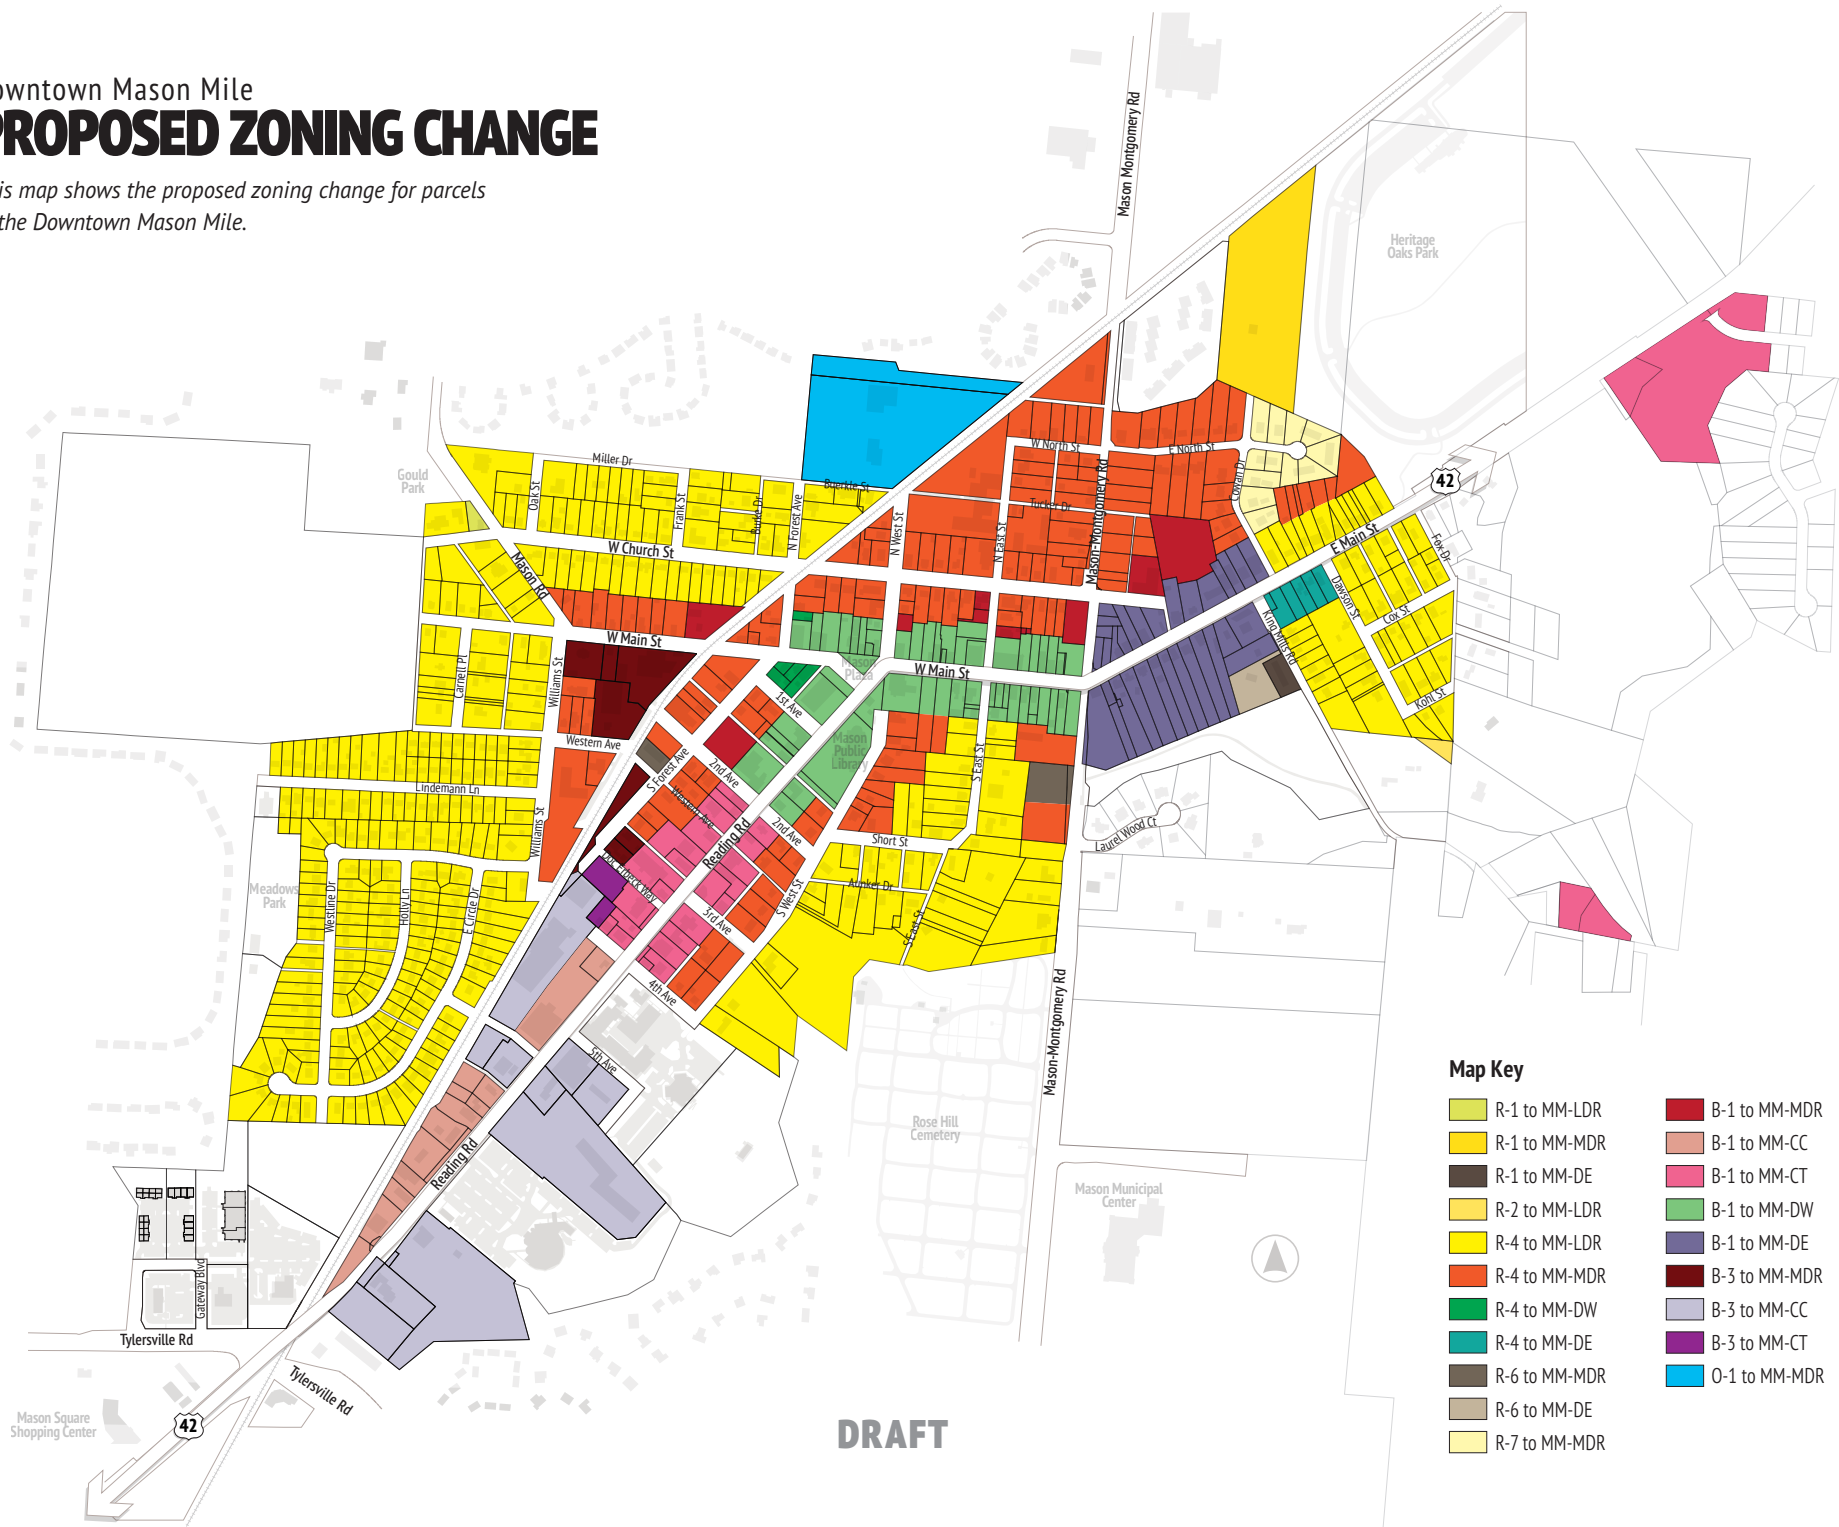

Development within the Residential Density Overlay District may be built to a density that exceeds eight units per acre if constructed in conformance with the regulations contained within and the development and design standards of the underlying base zoning district.

Downtown Mason Mile

PROPOSED ZONING CHANGE

This map shows the proposed zoning change for parcels in the Downtown Mason Mile.

This map shows the subdistricts that make up the Downtown Mason Mile. Each subdistrict prescribes a set of uniform regulations for a defined geographic area.
