

# DOWNTOWN MASON MILE

## Where *progress* and *nostalgia* meet

The Mason Mile project is a community led, market driven project. We are honoring our history while building into the future a fresh, healthy, and sustainable place for people to live, work and play.

### **Update for City Council - Monday January 9, 2023**

We hope everyone had a healthy and happy holiday season and your new year is off to a great start. If one of your new year's resolutions is to get more involved, we have just what you need!

If you're interested in knocking out to do's, building community relationships, and have a boots on the ground mentality our activator team would be a great fit for you. Activator meetings are held every third Tuesday of the month at the Joe Barr American Legion Post 194. January's meeting is Tuesday January 17th at 6pm at the Joe Barr American Legion Post 194.

If you're interested in staying informed, getting involved, and meeting up with the local community our Neighborhood Quarterly Meetups would be a perfect fit for you. These meetings are quarterly and the next one is Thursday February 2nd at 6pm at the Joe Barr American Legion Post 194.

Anyone is welcome to attend either or both upcoming meetings and we highly encourage everyone to attend that can.

Thank you to everyone that has been involved thus far and thank you Mason City Council for partnering with us to make all of this happen. We are honored to build on all of the good work that's been done over the years and continue to move at the speed of trust.

For those interested in more details on the project as they come available, please visit our website at [madecdc.org/downtownmasonmile](http://madecdc.org/downtownmasonmile), join our Facebook group, attend a quarterly meetup, or get involved by becoming a project activator.
